1. Acknowledgment is made of applicant's claim for foreign priority based on applications filed in Korea between November 10, 2003 and October 23, 2004. It is noted, however, that applicant has not filed a certified copy of any of the Korean applications as required by 35 U.S.C. 119(b). Since the copies were to be filed by other than the applicants, and there is no apparent need for the priority to be closely considered with respect to pertinent prior art, the Office will not require applicants to separately supply the missing copies.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bryon P. Gehman whose telephone number is (571) 272-4555. The examiner can normally be reached on Tuesday through Thursday from 7:30 am to 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mickey Yu, can be reached on (571) 272-4562. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
